New Student Referral Program

Many of our students initially hear about Avalon School of Massage through a personal referral such as an existing student or alumni. We would like to reward you for promoting our school to your family and friends with our New Student Referral Program!

Program Rewards

The Student Referral Program is open to all currently enrolled Avalon students and Avalon alumni.

How it works:

Refer a friend and receive credit equal to 10% of your friend's monthly payment amount. For example, if your friend's monthly payment is \$777 for 10 months, you receive \$77.70 (10%) each month! You can receive up to \$777 total!

If you are a student, you can apply this credit toward your own tuition on a monthly basis or on your total tuition balance. If you have no remaining balance, you can use the credit amount toward any CEU/Advanced classes, massage supplies, massage license application or MBLEx exam application.

Avalon alumni, teachers and staff making referrals will receive an incentive check equal to the amount of the tuition credit after the new student pays their monthly tuition payment.

Referees will also receive a one-time 5% discount on the last payment of their payment agreement, so everyone wins!

There is no limit to the number of student referrals that each current Avalon student or alumni can submit.
